

Mar-Bal, Inc. announces leadership appointment

Composites industry leader names Profeta to key leadership position and continues to drive operational excellence and manufacturing strategies.

CHAGRIN FALLS, OH--(September 27, 2012) - Mar-Bal, Inc., a Chagrin Falls, Ohio-based leader in the thermoset composite industry and innovative solutions provider, has named a new Director of Operations, Vince Profeta. In this newly created role, Mr. Profeta will be responsible for all manufacturing, operations and plant support activities. He will also drive operational excellence and program launch implementations through the use of innovative tools, techniques and talented people. The announcement was made by Scott Balogh, President and CEO of Mar-Bal, Inc. He will report to Balogh.

“With his Program Management and Engineering successes within the industry, Vince will provide leadership to our manufacturing and operations organizations that will drive continued added value for our key OEM partners and customers,” stated Scott Balogh. “We are excited about Vince’s arrival and know that he will energize continued excellence within our company.”

Vince brings over twenty years of Engineering and Program Management experience at Ferro Corporation, Premix, Inc. and Danaher Corporation. Most recently, Mr. Profeta was the North American Product Manager and also held a position of North American Sales Manager at Ferro Corporation within the plastics division. Vince holds a Bachelor's Degree in Mechanical Engineering from Cleveland State University.

“It is very exciting to join an organization that continues to make investments in new technologies and innovation and Mar-Bal has outstanding proprietary platforms generated by a talented engineering and manufacturing organization,” states Vince Profeta. “I look forward to working with all of our highly motivated people to drive the next generation of continuous improvement that will complement the traditional operational excellence Mar-Bal, Inc. has experienced.”
