

Mar-Bal, Inc. announces promotion of key executive

Composites industry leader promotes Profeta to important technology position.

CHAGRIN FALLS, OH--(August 31, 2015) - Mar-Bal, Inc., a Chagrin Falls, Ohio-based leader in the thermoset composite industry and innovative solutions provider, has promoted Vince Profeta to Vice President, Product Engineering and Manufacturing Technologies. Vince has served as the Director of Operations at Mar-Bal since April 2012. The announcement was made today by Scott Balogh, President and CEO of Mar-Bal, Inc. Profeta will continue to report to Balogh.

“This key role encompasses our core competencies in both product engineering and advanced manufacturing functions to continue to balance the voice of the process with the voice of the customer,” stated Scott Balogh. “Combining our engineering capabilities in product design, program management, proprietary products, and our advanced manufacturing team under Vince’s leadership will strengthen our launch capabilities and enable us to be the low cost producer in our industry. His accomplishments in deploying advanced technologies in our plants has resulted in world class quality and automation implementation,” further stated Balogh.

In addition to Mar-Bal, Profeta has over twenty years of Engineering and Program Management experience at Ferro Corporation, Premix, Inc. and Danaher Corporation. Vince holds a Bachelor's Degree in Mechanical Engineering from Cleveland State University.
