

02 February, 2023

To Our Valued Customers,

Mar-Bal, Inc. confirms our current glass reinforced composite products, and molded in metal inserts, are in compliance with REGULATION (EC) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 18 December 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH). European Union Regulation REACH SVHC-224 as of 17 June, 2022.

Mar-Bal, Inc. has not intentionally added any substances that are listed under REACH during the production of our products.

In accordance to Mar-Bal's philosophy of quality excellence, we make continuous effort to ensure all raw materials comply with REACH. Please feel free to contact me if you need further information.

Regards,

A handwritten signature in black ink, appearing to read "Larry Landis". The signature is fluid and cursive, with a long horizontal stroke at the end.

Larry Landis,
Vice President, Materials Technology
